most people are completely unaware that the shakespeare authorship question is the greatest cultural mystery in western civilization few realize that will shakspere of stratford on avon was an uneducated grain speculator and real estate investor who could not read or write yet he was chosen as the front man for a fraudulent conspiracy perpetrated by queen elizabeth s chief counselor robert cecil for reasons of monarchial succession greed and power the astonishing power of conventional wisdom has kept the ruse going perpetrated by professors of english who cannot break the tenacious shackles of their guild mythology and thus refuse to believe the reams of authoritative evidence discovered in the past century in favor of edward de vere 17th earl of oxford as shakespeare volume 10 of this anthology series moniment contains eighteen brilliant compelling articles by highly qualified authorship experts who convincingly reinforce the case for edward de vere and annihilate the completely impossible candidacy of the illiterate stratford man judge philip howerton jr ba jd it doesn t take an academically based person to realize that the quarter page of known facts of william shakspere s life can be mastered by a twelve year old and that all the rest of the stuff that has been written in the attempt to connect his life and the works by professors brown chambers chute rowse schoenbaum et al ad nauseam is and always has been as vladimir nabokov once put it in another context thirty two percent nonsense and fifty of neutral padding scottish author josephine tey called it tonypandy a nonsensical untrue story grown to legend and accepted by the public in the face of all evidence to the contrary michael h hart ph d in astrophysics princeton author of the 100 a ranking of the most influential persons in history i made a serious error in the first edition when without carefully checking the facts i simply followed the crowd and accepted the stratford man as the author of the shakespeare plays since then i have carefully examined the arguments on both sides of the question and have concluded that the weight of the evidence is heavily against the stratford man and in favor of de vere
